

# Organ Specification 2020

When the 2020 work is completed, this will be the specification. After nearly 110 years, this scheme finally realises Hill's 1911 specification, with minimal change. In the table below, variations from the original Hill scheme are italicised

<i>Pipes pre 2020</i>	<i>Specification</i>	<i>Pre 2020 Scheme</i>	<i>2020 Scheme</i>	<i>Pipes in 2020 scheme</i>
<b>Pedal Organ (30 notes)</b>				
	Double open 32'	Missing. Space at back of organ	Extension from open metal down to GGGG from open metal, and lowest seven notes acoustic	5
